DINGLEY AUSKICK DAY OUT ON THE "G"

And what a day it was...I've never had so many emails and phone calls saying how good it was and the kids enjoyed it too!!

Seriously, it was a fantastic experience all round to get an opportunity to train on the MCG and get to play a game as well was terrific for all who were involved.

In total we had about 300 kids and parents turn out in what was just a picture perfect day.

My thanks to all the coaches and parents who got involved, without your support it would not have been the day it was, thanks again.

(Go to our photo gallery page to view the photographs from the "G")

NEW SPONSOR

Darren and Mark from the **Dingley Deli & Café** have generously agreed to donate the bread for our BBQ's and complimentary breakfasts as raffle prizes. This is a fantastic contribution from the guys so please ensure you support them as they are certainly committed to supporting the local community.

Don't forget to mention you're from Dingley Auskick to receive a discount on your purchase.

MOTHERS DAY A HUGE SUCCESS

Around 75 Mums and Grandmothers had a wonderful morning in the warmth of the Dingley Sports Club last week as the kids participated in Auskick. The ladies were treated to a champagne breakfast, served with Bacon & Eggs for Mothers Day whilst the Dads attended to the kids. In terms of fund raising it was a fantastic morning raising more than \$600 for the morning. Thanks go to Leigh Menzel, Jenny Sterling and Julie Polson for their invaluable assistance. Don't forget the challenge ladies for Fathers Day.

Special thanks goes to our sponsor Eden Organics, for supplying all the ladies with a beautiful organic moisturiser.

OVER & ABOVE SUPPORT

Special thanks must go to **Darren & Kath Stafford from A1 Bins**.

Not only do they run the BBQ every week they have now committed to donating the meat tray for the raffle prize each week. This is extremely generous and it's sincerely appreciated. Please remember to support those who support the community

LEVEL 1 COACHING ACCREDITATION

Four of our coaches, Andrew Gough (Preps), Caine Groves (Preps), Jamie Brown (Preps) and Andrew Mitchell (Grade 1) have just commenced their level 1 coaching accreditation with the Dandenong Stingrays. This is a big commitment from the guys and it's appreciated by all of us.

Good Luck Guys!!
