

Dingley Dingoes Under 10 Red (East): **Match Report – 9/5/10**

Dingley 9.8.62 d St Peters 5.1.31

'twas Mothers Day at the home of the Dingo and the SuperCoach had the Dingo cubs champing at the bit following the narrow loss to the Sharks at their last outing. The floating-forward in Forbes returned to the line-up after a dodgy finger and all was set for a strong effort from the Dingoes. The new custodian in James Matic was rewarded for a strong game last week with the captaincy and when he won the toss and kicked with the aid of the breeze to the Bass Strait end of the ground, we were away.

As per the last couple of weeks, it was the Zano who sparked the Dingoes into action in the ruck. A couple of pinpointed palms to the gps were a highlight of the first stanza. The blonde on-ball brigade were having more fun than the opposition, with the Tinman and the Cockroach also winning plenty of the hard-balls at stoppages. Jake was proving elusive on his flank, Adam was creating havoc down deep, Lachie Scott was blocking the ball in the forward line and the half-back line of Newman, Farrington, Fullston, was impenetrable! Jumpin' Jack topped his quarter off with a strong overhead mark. The Blythe Ct mob kicked 3 between 'em and it was 4.3. to zip at the first break.

Into the breeze in the second and St Peters managed a couple of majors to just one from us. Lachie Newman was the kamikaze against their man mountain no. 19, and kept on charging in, Grant set up team-mates on 2 occasions with looping handballs out in front, setting them off down the ground and Liam's use of the ball across half-forward was bordering on that of the rolls-royce. Ky and the Terrier were also using the ball well, but the highlight of the quarter was Mitch's burst from the full-back line, charging down the ball, taking 2 bounces and booting us forward of centre.

The third quarter started with a great pass through traffic from the rolls-royce to Liam and that set the scene for the term. Liam wasn't 100% fit, but together with Adam and Tom, was using the ball very cleverly and creating heaps of scoring opportunities. Jake took two excellent marks, Cam delivered a couple of shepherds, Josh laid out a lovely little pass over the top to Tom and the Terrier responded to SuperCoach's request for a bit more speed, by giving the crowd a couple of his trademark runs. 9.8 to 2.0 at the last break.

The St Peters lads had a good dip in the last with no. 18 proving a bit of a handful and they ended up scoring 3 good goals. For the Dingoes, Cody went back to full-back and took a couple of strong grabs on the last-line, James Mac showed us a couple of his silky drop-punts and James Matic took a typical, strong chest mark. Mitch and Zane combined for a handball and shepherd session while the "play of the day" was Cody's handball to Adam, followed by a lace-out pass to the chest of Lachie Scott. Lachie Sinclair was also rewarded for blocking the defensive goal-square with a couple of late possessions. The

icing on the cake was a big slips-catch to “Speccky” Linthorne in the dying minutes. The Dingoes home by 31 points.

An excellent effort from the Dingoes. The SuperCoach was especially pleased that everyone in the team contributed and played his part, in his words “all played well”.
