

## **Dingley Dingoes Under 10 Red (East):** **Match Report – 16/5/10**

Dingley 6.2.38 drew with East Sandy 6.2.38

An eagerly awaited rematch with the East Sandy boys was met with a blanket of fog on Sunday morning. The wil-o-the-wisp in Lachie Sinclair and the Bulldozer in Mitch were skippers for the day and the boys were pumped up for this game against last season's premiers.

The first quarter started with 2 goals to the gps who was on fire across half forward early. East Sandy bounced back with 3 unanswered goals and we were 6 points down at the break. Ky and Zane also had excellent quarters in the guts, skipper Lachie Sinclair took an excellent mark and handball off to Tom and Lachie Newman took a trademark grab running back into a pack.

Liam had a stint in the ruck in the 2<sup>nd</sup> and used his body very cleverly against taller opponents. Ky continued his form, with his best game of the year, Cameron dished out a great bump and shepherd, the Tinman was throwing his (not too ample) weight around at the stoppages, Adam was leading up well from the full-forward line and Zane effected his second smother of the match. The gps still could not be doused and kicked another couple to have 4 at half-time. 4 goals to 3 at the break.

We kept charging forward in the third, with Liam still going strong, the rolls-royce starting off a couple of passages with silky disposals and Lachie Newman handing out the bump of the year (while he had the ball himself!!). James Mac held off three opponents, edging his way to the front and Mitch joined him on the last line, charging out of defence. Cody also mounted a couple of attacks from half-back and we were 2 goals up at the last break.

We kicked the first of the last after a Tinman handball to Tom for his fifth and it looked all over. However, we relaxed a little and the East Sandy guys rose to the occasion, squaring up the match with the last kick of the day. Another fantastic game to be involved in and a number of lessons learnt by all of us on the day. Good stuff fellas, another big challenge awaits this week.
