

Dingley Dingoes Under 10 Red (East): **Match Report – 6/6/10**

Dingley 6.5.41 d Murrumbeena 1.0.6

The might of the Dingo ventured away from the den for its first home game at Heatherton on the 6th June for a clash with Murrumbeena. Cameron “the Lionheart” and Jumpin’ Jack were skippers for the day in a match that was set for those built lower to the ground, following a fair deluge over the preceding 24 hours.

We started well with Liam winning the ruck taps, Zane at CHB repelling everything and his flankers in the rolls-royce and the Lach-ness monster impassable. Tinman was revelling in the mud and GPS had established control of the forward line early, marshalling his troops and sinking two snag rolls for the term. Cameron had a great quarter, capped off by a mark and pass to Tom, while Josh took another strong contested overhead mark. Up by 13 points at the first break.

The rolls-royce in Lachie Scott had a blinder all day and set the scene for the Dingoes to share the ball with a number of unselfish acts. He again was in the middle of a silky passage down the outer wing in the 2nd quarter, where the ball was shared amongst 5 players, ending up with Grant onto Jake for another Dingo forward thrust. Cody was on the ball in the second and had plenty of it, heeding to Brad’s instruction to hold onto the ball until a good option was present, while Grant drove us forward repeatedly off one wing and the Terrier gnarled his way through a few packs. The lead was 21 points at half-time.

SuperCoach made quite a few changes during the 3rd and the rolls-royce continued to show his class, running on the ball. Ky took control of the centre square, Cam had his second goal assist with a mark and pass over the top to Josh, who kicked his second goal, Jake showed great desperation and clever ball-use on his flank while Clancy and the Lach-Ness Monster combined for 30 metres of run and carry down the wing. The Cockroach had a stint at CHB and took over where Zane left off. Both of these boys read the play fantastically. 27 points to nil at the last change.

The big bloke asked for a bit more reward for our efforts in the last, we had dominated the game for only 4 goals. He asked for quicker movement of the ball and to avoid congestion and ball-ups. The lads went about this with purpose and further goals to Tinman and Liam had us up by 6 until the Beenas responded with the last goal of the match. James Matic had a good quarter across half forward, presenting well and taking a couple of strong marks, the Bulldozer in Mitch enjoyed a run on the ball and excelled in the slosh and the wil-o-the-wisp in Lachie Sinclair had a couple of clever touches.

The Dingoes ran out comfortable 35 point victors in a real even team performance. ‘twas pleasing to see the boys listen to SuperCoach’s instructions

re not just blazing away and for the defenders to stick right on their opponents after some indiscretions the week before. Great stuff fellas, take a week off for your efforts and see ya on Wednesday night for the T&A Auto Chelsea Heights feast.

Goals – Tom (2), Josh (2), Tanner, Liam

Best Players – Lachie Scott, Cameron, Josh, Grant, Zane, Cody

GO DINGOES!!!!!!!!!!
