**DINGLEY 13/13 - 91 - MORDI-BRAE 5/3 - 33**

Well done boys, what a fantastic effort on Sunday. As a Coach I get no greater pleasure than seeing the boys put into action what we have been doing at training. We ran the ball out of the backline with plenty of voice and clearing handballs to a passing Dingo.

There was not one player who did not seem to give it their all. Our midfield and onballers ran non-stop. We had Nathan F tagged all day but still managed to break free more often than not. Kane ran all day as usual without any concern for himself. Mason and Aaryn held strong our backline, both of whom had plenty of support from the pockets and flanks.

Andy ran well through the centre and often produced a couple of one percenters. Our forward line presented itself well, running into open space which gave the midfielders plenty of options to go forward. Well done to Caelin for his ability to read the flight of the ball enabling him to out mark his tight opponent.

Well done team on a great win!!!

**Goal Kickers:** Caelin Brooker 5, Nathan Freeman 2, Jesse Andres, Jake Bowen, Riley Gorringer-Dennis, Jack Grange, Luke Heywood and Kane Stephens, 1 each.
