DINGLEY 21/15 - 141 SOUTH MELBOURNE 2/4 - 22

Well done boys!

Sunday was an opportunity to try somethings a little different. Playing some forward up back, backs up forward, some boys on the ball who are not usually there. We moved the ball well and had several goal kickers. Lets not ignore the fact that we only kicked the same amount of goals as the teams before us.

It's hard to name any outstanding players because we had plenty. Unfortunately we missed opportunities to kick more goals because (as noted by Johnny Mac and myself) everyone wanted to kick a bag full and we therefore missed better options.

Great game result guys!!!

This week is a big one against Ormond. This one will test us!

Goal Kickers: Jack Grange 5, Nathan Freeman 4, Luke Heywood, Ben McManus, Aaryn Campbell 2 each, Harrison Dancaster, Jake Bowen, Caelin Brooker, Andy Watson, Michael Somerton and Kane Stephens, 1 each.
