DINGLEY 13/15 - 94 MURRUMBEENA 7/6 - 48

Well done boys, what a great win we had on Sunday.

In fantastic conditions we really had no excuses.

We seemed to move the ball alot better than we had before. Our backs took some advice before the match and ran in packs showing each other great support. We ran well and supported each other around the ground.

We did drop some easy marks, and at times, failed to cover our men. We must remember the responsibilities we all have. We used the flanks to our advantage and bought the ball into the middle from the back line many times.

Once again, Aaryn Campbell contained his opponent and created plenty of drive in the midfield. Mason Fisher also gave great support down back while not changing on the ball with Kane Stephens, who always gave 110% and also gives us an option in the midfield.

Nathan Freeman once again gave the forwards plenty of opportunity with his endless ability in the air and down low to the ground.

Josh Whelan has showed incredible understanding of the ball lately and continued to impress once again on Sunday including strong marking across centre wing.

Andy Watson gives us an option in the centre and showed plenty of courage and determination around the ground and in the stoppages.

Jake Bowen played well and was solid around the packs both with his marking an his spoiling from behind. Andy Craig also contributed plenty around the wings and up forward. Riley Gorringer-Dennis ran hard and showed plenty of desperation in getting to the competition.

Jack Grange got plenty of the ball and created valuable and effective option in front of the goals. Caelin Brooker also provided a straight kicking option up forward, he showed plenty of run when it was needed.

Nathan Vandervlugt was as determined as ever to get to the competition and does what is asked of him.

Boys, you ALL did well....Congratulations!

Thanks again to the under fourteen boys who helped us out, you all contributed well, showed great courage and were all amongst our best!

Goal Kickers: Nathan Freeman 5, Jack Grange 3, Jesse Andrews and Adam Lloyd 2 each, Caelin Brooker 1
