**Coach:** John Larter

**Asst Coach:** John McManus

**Team Manager:** Natalie Freeman

**Trainer:** Patrick Bowen & Lynda Knight

## DINGLEY 4/8 - 32 ST BEDES 7/8 - 50

Sorry everyone for the late match report!

Well boys, I must say you all deserve a big pat on the back. You fought hard most of the match and I was thinking, that was the one aspect of the game which may have saved us from a bigger loss. Sunday allowed us to apply another skill to the game. Add this to the running into space, running past, loud voices and manning up and we could beat anyone at full strength.

Aaryn gave us strong support up back, along with Harrison Dancaster, Josh Whelan, Matt Munro, Kane Stephens and Nathan Vandervlugt and Andy Watson who dominated across the midfield.

Boys, we do have the potential to beat Ormond and St Bedes, but it will come at a price. We must build our fitness, improve our attitude at training and arrive on game day with an attitude that reflects how you feel about winning on match day.

Well done guys, a great effort!!!

**Goal Kickers:** Jack Grange 2, Harrison Dancaster and Caelin Brooker 1 each
