DINGLEY 11/7 - 73 ST PETERS 12/6 - 78

Well Boys,

I must say that we are very proud of your efforts on Sunday.

Unfortunately, we started alot slower than St Peters who took advantage of us and treated us with comtempt in the first half.

They came out from the start and were alot more physical with us than we were of them.

They ran hard, ran into space and used their midfield and onballers much better than we did in the first half.

I think our second half was the best of the season. Unfortunately, it took a small mellee to get you guys fired up and from that point you played with passion and determination that should be presented every quarter of every game.

Andy Watson showed great courage along with Jason Wylie, Matt Munro, Nathan Vandervlugt, Luke Heywood, Aaryn Campbell, Kane Stephens, Andy Craig, Caelin Brooker, Tom Larter, Jack Grange and Adam Lloyd from the Under 14's.

In fact as I said after the game every one deserved B&F votes for the way the team fought to the end. It is this sought of mindset we require if we are to beat the top teams.

I have no doubt we can beat anyone with a full team and the right attitude.

As I have said all season, football is a physical game and we showed on Sunday we can play hard but a physically fair game. Lets see if we can replicate this for the rest of season!!!

One again guys, well done a great effort!!!!!!!!!!!!

Goal Kickers: Caelin Brooker 4, Harrison Dancaster and Josh Whelan 2 each, Luke Heywood, Adam Lloyd and Kyle McGurk 1 each.
