## DINGLEY 12/12 - 91 MURRUMBEENA 7/6 - 48

Well boys, today certainly seemed to be a more disciplined effort.

We had plenty of second efforts, a good amount of talk and lots of run.

Our rucks did well and the centre line was impressive. Josh Whelan found himself in open paddocks at times and drove the ball into our forward line with great delivery, well done Josh. Both our forward line and back line had their good efforts and some not so good efforts. As was pointed out at 3 quarter time, our onballers must get back to help out our backs when the opposition onballers run into their forward line.

Nathan Freeman was on fire and I hope well supported by the other onballers. Nathan Vandervlugt, Jack Grange, Andy Watson, Kane Stephens, Luke Heywood and Aaryn Campbell all stood up at times. Caelin Brooker presented well up forward but our delivery into the forward line was often poor. We need a better quality of disposal around the ground. Matt Munro once again showed great determination. Jesse Andrews put his body on the line as he often does and gave good support to the other forwards. Despite carrying injuries, both Brandan Fisher and Mason Fisher contributed well. Riley Gorringer-Dennis took possession on centre wing and disposed often into our forward line.

So boys, well done! Thanks to all who helped out and lets hope we can step up to the mark next week and knock off the top team!!!

John Larter - Coach.

**Goal Kickers:** .Caelin Brooker 6, Nathan Freeman 5 and Harrison Dancaster 1
