

Round 5 Dingley Black vs Mordialloc Braeside

Final Score: Dingoes 5 2 32 drew with Mustangs 4 8 32

Goals: Christopher Zanelli, Mitchell Newman, David Cowell, Philip Fenton (2).

Our local derby started with the Mustangs more determined to win the football and it showed on the scoreboard with them scoring the only goal of the first quarter. The second quarter was more even with 1 goal each mainly due to our determined defence that forced the opposition to also score 4 behinds. Things started to fire up in the third quarter and again each team scored 1 goal in a real 'see-saw' match that had intense desperation from both sides. Our boys were 2 goals down at three quarter time and needed to lift in the last quarter. The Mustangs scored first and suddenly we were 3 goals behind. We have developed a real skill in 'fighting to the end' this season and this was again evident as our boys scored 3 goals straight to level the match with only 5 seconds to go.

This was perhaps a lucky result in the end to draw the game but an inspirational effort in the last quarter that had all the parents extremely proud of their boys.
