

RUN WITH THE PACK

DINGLEY DINGOES MEMBERSHIP 2017

2017 Membership Brochure

Introduction

2016 saw the Dingoes stamp our authority on the Southern Football Netball League with the club claiming back-to-back senior football titles for the first time in our history, while also claiming our fourth successive SFNL Champion Club award on the back of outstanding on field results which saw 9 of our 12 sides compete in finals action, including 4 Grand Final appearances. Our playing group continued to grow as we added two Under 19 netball sides, and our development program continued to pay dividends with premierships to our U16 and U17 footballers and 15 of our 22 senior premiership players having come from our junior ranks.

Whilst many people measure success in the form of silverware, it may be argued that the greatest measure of success at a community sporting level is the ability to attract people to become and remain involved in the club – the development of a strong culture which promotes inclusiveness, enjoyment and unity – an attribute that we have in abundance at the Dingoes. To nurture and further enhance this culture and to achieve our goal of becoming the largest and most respected club in community football – WE WANT YOU as a member of the pack in 2017.

The results achieved by the club during 2015 and 2016 have set a new benchmark for success and the Dingoes are hungry to ensure an even greater return in 2017 as we embark upon a mission to dominate the SFNL landscape.

Our reach and exposure are the envy of community sporting clubs, with the Dingley Football Netball Club the first and only non-AFL/VFL affiliated football club in Victoria with greater than 2,750 Facebook followers. Combining this with our regular member email updates and our dedicated club smartphone app, the Dingoes are providing regular news and updates of what is happening at our club to an ever growing army of followers.

The Dingley Football Netball Club prides itself on our open, welcoming and community focussed culture and strives to promote the values of loyalty and integrity through the medium of a healthy lifestyle and mantra of inclusion for all. Our commitment to youth is evident in our young playing list and the values of our club are readily apparent in the way that our players, coaches, volunteers and committee represent themselves at all times both on and off the field.

In Australia sport generates more passion and community spirit than any other pastime; it is part of our psyche and our history. By becoming a member of YOUR club, you will be directly contributing to our history and showing your support in a lasting and meaningful way. Dingoes are pack animals, hunting in numbers for the benefit of all – we ask you to be part of our pack and a key part of our hunt for glory.

The following brochure outlines the membership packages available for the 2017 season. On behalf of the Dingley Football Netball Club, I would like to thank you for considering becoming part of our club and a member of our pack.

If you would like to discuss this proposal further, or seek further information, please don't hesitate to contact the undersigned or any of the members of the committee.

Go Dingoes!
